Statement on Significant Accounting Policies forming part of the Financial Statements

1. Accounting Convention

1.1. Financial statements are prepared in accordance with the generally accepted accounting principles (including applicable accounting standards in India) and under historical cost convention.

1.2. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the revised schedule VI to the Companies Act, 1956. The Company has determined its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

1.3. Use of Estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities and reported amounts of revenues and expenses for the year. Estimates are based on assumptions that management believes are reasonable under the circumstances. Actual results could vary from these estimates and any such differences are dealt with in the period in which the results are known/ materialize.

2. Fixed Assets and Depreciation

2.1. Fixed assets are recorded at the cost of acquisition and include expenditure directly related and incidental to construction/ development.

2.2. Depreciation is charged at the rates and in the manner specified in Schedule XIV of the Companies Act subject to the useful life of the asset.

3. Investments

Long term investments are stated at cost. However, provision for diminution is made to recognize a decline other than temporary, if any, in the value of the investments. Current investments are valued at lower of cost and fair market value.

ASHLEY SERVICES LIMITED

Statement on Significant Accounting Policies forming part of the Financial Statements

4. Revenue Recognition

4.1. Revenue from management consultancy on fixed price / fixed time contracts is recognized as per the proportionate completion method and only where there is a certainty to the measurement or collectability of consideration.

4.2. Revenue from other services rendered is recognized as and when the service is rendered and in accordance with the specific terms of contract of performance.

5. Income taxes:

Income tax expenses comprise current and deferred taxes.

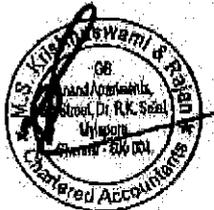

5.1. Current tax is determined on income for the year chargeable to tax in accordance with the Income Tax Act, 1961.

5.2. Deferred Tax is recognized on timing differences being the difference between the taxable income and accounting income that originate in one period and are capable of reversing in one or more subsequent periods.

5.3. Deferred Tax assets pertaining to unabsorbed depreciation and carry forward of losses are recognized only to the extent there is a virtual certainty of its realization.

6. Preliminary expenses

Preliminary expenses incurred are fully charged off to the Statement of Profit and Loss in the year in which it is incurred.
